

PRICE TOWER READING GROUP
SEPT 15 6:30PM COPPER BAR

Frank Lloyd Wright, *An Autobiography*,
San Francisco: Pomegranate Press, 2005
reprint of the 1943 edition.

Frank Lloyd Wright's *An Autobiography*
was published in 1932, shortly before
founding the Taliesin school of
architecture in Spring Green, Wisconsin.

The book drew countless readers – many
of whom were young architects – back to
Wright's work, and inspired many to
study at Taliesin simply upon reading it.
In 1943, *An Autobiography* was
updated and extended, and continues to
serve as the primary source of
information on Wright's youth, family
life, apprenticeship, tumultuous romantic
life, and reflections on some of his most
famous buildings.
